First I would like to State here that in this case here I have complained time after time also wither complaint after worther complaint I even tited regular Greenarces, and in doing so I've made copies of it all, but in the year 2020 on or about 6/23/2020 I have had a annual review alone unith these type of reviews one done and a yearly basis at ar an abad the Grane day or month you have been recieved into the Department of corrections recieving facility now my annuals are done in June of every year now in the year 2020 my annual was done by countelor Tracey storx in which it was clone extremly wrong an inher doing my annual review wrong I've lost a tramindious amount of time 10 which my release date changed chan aticly new to give you a little inside Group on how things Suppose to be hundled of goes like this even annual review you start your annual with 100 points an depending on how you clid within the 12 months leading up to your vericed you get occred which for Charges you deduct points guch as every 100 series you deduct 20 points every 200 series you loses 10 points an and the end of scoring you get your total and according to operating procedure 830.3 that final score is what your Good fine level will be then you take whetever your Good time level is and you add that to your Quanty level Scale sheet to determine it your security level goes up, goes down or remain the same. New in my case that didst happen out rules were set aside while elaing my annual score is apost time, during the 12 month period teching up to my annual I inhereted 2 charges which were a 111 B on 1-14-2020 ? 243 on 8-28-2019 which the 1113 only taxes 20 point away from the 100 points I start with which teams me 80 points? The 243 only cleducts 10 points which teads me with 10 points total at the end of my Good time. Scoring / GCA Scoring but with me not having the knowledge of has things suppose to work at that particular time She took advantage of my weakness and instead of giving me my 70 point she took 70 points and left me with 30 points and how she did so was I start with 40 points For infractions 40 points For Re-entry Plan-Annual Goals + 20 points For work what she clid was cheducted 30 points From the 40 points For infractions which lewer me with 10 points for infractions which is Connect then she took my Full 40 points For De-entry Plan-Annual Goal Which powers me with O points For Re-entry Plan- Annual Goals 3 Gave me 20 points For work Job working For the Kitchen & V-Dut Which after totaling things 30 points total which leaves me with a Good time which means I earn nothing I'm doing According to operating procedure D. 3 9- Offenders should not be penalized for unavailability of educational, trogram, vocational, or work opportunities if the offender can document (Attach additional sheets if necessary)

Consistent, reasonable efforts to achieve the goal, in which I have documents Showing I was wantlested/Pending Substance Abuse on or about 6/9/2020 also I was wantheted/Rending Substance Aduse Cognitive Behavioral Interventions For Substance Abuse on or about 7/20/2020 but due to covid-19 concerns any an all programs, Educational, vocational; even work was stopped due to this nectural pandemic I had no control over so with that being soid under operating procedure 830,3 I should've been awarded my Full 40 points under Re-entry Pron-Annual Goals which would'be gave me a total of 70 points which would'de made me a level 2 Good-time/GCA but NO She Scored me with a Recommendation of a GCA 4 with 30 point and a security level 2 with 15 points on my Jecurty level Score sheet. And offer she goores me she then Gord or fax the Recommendation to the unit manager. Debra wynn who that looks over What she ms Tracey Slone has clone to make Sure its done properly but of course we can tell that all turned a blind eye and Just agreed to the recommendation because ms Debra wyon had a Chance to right ms stones wrong but instead they all work together on Just doing what they want to offendas so all ms Debra wynn clid was Reviewed it and approved for my Class level to be changed to a level 4 that's when my GCA recommendation still has a Chance to be fixed and everyones wrongs can be Corrected why because my GCA then goes in Front of Ms Gloria Robinson Chief of Housing Programs to be Administrative Review and she has the power to SAY you know what everything yall have done is incorrect so im gone correct it Dut instead The also went with what every body else soil and did she approved for my GICA level to be Changed to a know 4 And by the way MS. Tracey Stone made her recommendation on or about 4/10/2020 than it was FAX or sent to ms Debra wyon who then made her decision by Approving Ms. Tracey Stone decommendation and or about 6/15/2020 then ms. Debra wyon FAX Or said my accommendation to be Administrative Acrowd by MS. Gloria Robinson who then and also Approved the decisions mide by Ms Tracy Stone and Ms. Debra Wynn on or about 6/22/2020 and then after all has made their institutional Approvals it was sent to Richmard where it awarts its last and Final decision on weather or not they will approve (Attach additional sheets if necessary)
